About LPU Online (Lovely professional University)

Lovely Professional University (LPU) is one of the leading universities in India, established in 2005 which offers high-quality education to students from across the country. The university is known for its focus on providing a holistic learning experience that goes beyond academic education. At LPU, students are not only equipped with the knowledge and skills necessary to succeed in their chosen fields but they are also provided with many opportunities to develop their personal and professional skills.

30K+ Student Enrolled | **50K+ Alumni**

600+ Campus Event | **500+ High Profile visitor**

Live Lectures

Interactive live lectures offer a real time interaction between student and the faculty where you can clear your doubts and interact with your peers thus providing a dynamic and innovative classroom experience.

Recorded Videos

Video-based learning offers a great learner experience with visual examples and is the best way to adapt the subject to your unique learning style. It gives you complete freedom to review the content as many times as you want.

Assignments and Projects

Online submission of Assignments and Projects is introduced to give you a hassle-free experience to students throughout the programme and at the same time it will let you assess your overall progress.

Placement Support Services

Professional Enhancement Programme

Special classes are organized under Placement Enhancement Program (PEP) where students are trained in aptitude, reasoning, soft skills, interviewing skills.

Mock Interviews

Mock Interviews will be conducted to give you an opportunity to practice what to say and do during an interview and get feedback. It will help you gain more confidence.

Online workshops

Online workshops will be organized in collaboration with industry leaders to provide you insights of the industry and the skills required to be successful in future endeavors.
