Introduction

The Master of Arts in English through online mode is designed to help students develop strong analytical skills and grounding in diverse critical and theoretical approaches. The programme helps students develop specialization in the particular area of English literary studies. The course aims at generating qualified, competent and articulate human resource capable of contributing to relevant domains of knowledge.

An important objective of the Masters programme is to introduce students to advanced study and scholarly activity in order to provide an avenue towards a PhD for those who wish eventually to seek a career in the academia. In addition, the course is designed to provide a reasonably complete higher education in literary studies for those who do not intend to proceed to a further degree in the field but who may branch into other areas as diverse as publishing, editing, journalism, administration, management, communications, or teaching at the high school level.

The programme offers various compulsory courses providing training in Linguistics and English language, grounding in the genre, eras and movements in English literatures, a hands-on acquaintance with literary criticism as well as literary and critical theory. To create informed and motivated scholars, academics, litterateurs and communicators this programme adopts a comparative, contextualized and interdisciplinary perspective drawn from contemporary view of literature and culture.

Programme's Mission and Objectives

Mission:

To develop reached and unreached students into a new generation of leaders through updated quality education and carrier assistance by open and distance learning.

Objectives:

M.A English programme through online mode at Mangalayatan University is designed after acknowledging essential quality inputs received from students, alumni, parents, academicians, teachers and also incorporating the contribution of the ability which enable a learner to develop critical thinking and decision making skills so that they can identify and analyze problems, develop feasible alternatives and make decisions effectively and efficiently.

M.A programme will help students in acquiring specialised knowledge for developing the terminology and practical elements of literary criticism and theory; also will be able to analyse the underlying meaning of Indian English poetry, fiction, American fiction and so on.

Instructional Design

The program is divided into four semesters and minimum credit requirement is 80 to get M.A degree through OL mode from Mangalayatan University. Minimum time period for acquiring M.A degree will be two years and maximum (extended) time period is 4 years.
